Ann,  
 You are one of my best friends and I'm glad because you are always nice and you always listen when I need someone to talk to about anything. You are a true friend and I never want to lose your friendship. I wish we could have spent more time together this year, but we both were super busy. I have known you along time and I know I will always be your friend. I remember when we first meet in 6th grade. We weren't too crazy about each other, but now look at us, we are best friends. And I am glad. We have gone through a lot together, good and bad. And I hope this summer you call

me so we can plan on doing something on a day or two. Because I really want to see you this summer. Maybe we can go to Great America or to the beach or something fun. You, Susan, Donna, Marybeth, and I will all have to do something for sure.

By the way, do you want to start running again in the mornings? About 7:00, maybe. I like running in the morning more than the nights. Let me know.

→ Just think next year we will be big Juniors. I can't wait. It is going to be a great year. (I hope). You will be secretary and a pro tennis player and hopefully going with you know who. I will be a song girl (hopefully a good one) and I will be still be going with Harold. don't tell him this, but I want to marry him in about five years. I wish you and you know who the best of luck. I think you two make a wonderful couple. I feel kind of sorry for Marybeth because of Donna and Ann. I wish there was something we could do.

## SPIRIT WEEK!

→ Oh, by the way, next year when you go to homecoming and the Junior prom, I want you to get your pictures taken because I want one of both times.

OK? I already asked you for them so don't forget. If you need help next year or this summer with anything, just give me a call and I will be there. Because you have always helped me out with everything. And I Thank-you.

## EXECUTIVE INTERNS

This years Executive Interns are a select group of students. They did many interesting jobs. Those jobs gave the students a chance to find out what it is like holding a real job like their parents do. This years Executive Interns were:

Gina Astorino: County Sheriff office  
 Joan Davis: American Airlines  
 Jim Kelly: Cutter Laboratory  
 John Macedo: KNBR radio  
 Marcee Miller: Walnut Creek Art Center  
 Chris Olivia: SRVUSD  
 Alex Rothkel: Mortensen Encia Drugs  
 Jim Siliva: C.C. County District Attorney  
 Megan Sjoldal: Golden Rain Foundation  
 Karan Stamm: American Savings  
 Craig Wagoner: Concord Pavilion

And what do you want for Christmas my boy?

Freshman class officers counting the money that they made.

One group was selling some very interesting plastic sculptures.

Of course there were a few businesses that were kinda slow.

## WINTERFEST

On Wednesday December 13 a mystical EVENT happened at California High. It was known as Winterfest. All the clubs set up booths and sold their wares. It was a lot of fun and everybody made a little money. There was a variety of things to be bought and sold from candles to kisses. Santa even put in an appearance. The night was a success.

This year's Drama Club was filled with wild and crazy people having a fun time. The advisor was Mr. Cretan, who is a fantastic teacher.

The Club did unique things. Some of their activities they performed for the school. They performed several different skits in the auditorium for anyone who wanted to come in. One skit was "Beatle Mania" performed by four dramaturs and it was great! Club members learned a lot while they were having fun. They hope you'll catch one performance in the near future. Drama Club

## EDITOR'S NOTE

The 78-79 Yearbook staff has proudly produced the 78-79 Grizzly. The pressures of producing a yearbook are tremendous. Problems like not having enough film, lost film and even with people who didn't show at the right time their pictures were scheduled for. But when the book was finished it was worth it all!
